

Re: Sustainability/Recyclability of packaging materials

This letter is in response to your request for information regarding our efforts toward sustainability, and/or information regarding the recyclability of Pinnpack packaging materials.

All containers, lids, clamshells and trays produced by Pinnpack are manufactured from Polyethylene Terephthalate (PETE) sheet that is safe for food contact as per the FDA's 21 CFR 177.1630, which is 100% recyclable.

Pinnpack Packaging products are indicated with recycling code 1 – PETE
